LET'S TALK / gary@skyviewdomes.us

Small start. Clear expectations.

01 / Choose your placement

Tell Gary which region, audience and dates fit your business. Newsletter placements depend on a confirmed issue date; we will agree timing before accepting payment.

02 / Approve your advertisement

Send a photo or logo you have permission to use, a link and the message you want visitors to see. Basic copy formatting and one revision are included. You approve the final advertisement before it runs.

03 / Launch and learn

We confirm the placement and run dates in writing. Subscribe through Stripe at the agreed start. Your price is charged at signup and automatically each month until canceled. We share available placement-click data and available newsletter delivery/open/click data. Tracking may be incomplete; email opens are approximate.

The details

No category exclusivity is included. Unused placements canceled before launch are refundable; once launched, the agreed run is nonrefundable unless we cannot deliver it.
